SUMMARY

Luxury Condo in Los Suenos !! This beautiful condominium home is located on the second floor in Building 10 providing privacy and seclusion within the Bay Residence Del Mar Community. Located at the entrance of the resort, making it easy to come and go the community provides 3 free form pools, BBQ areas, walking trails and a gym. This unit is beautifully designed and nicely furnished with expansive package from the Los Suenos design center. Great panoramic views of the rain forest, ocean, beach, creeks and the resort, all which can be enjoyed by just gazing out the windows. With an open concept kitchen and living area, and also an expanded terrace, here is one of the best spots in the entire resort to watch the waves, hear the tide come in and view exquisite sunsets.
