SUMMARY

An elegant, garden level bella vista. This is the most beautifully decorated and well-kept luxury condominium in the bella vista community. It features custom finishes that cannot be found in other bella vista units. It is a garden level unit with a pool 5 steps from the patio with jacuzzi and BBQ area. This pool is virtually private, as hardly any other residents are close to it so it is rarely used. Each bedroom offers large walk-in closet and private full bathroom. Elegant interior design is accomplished in this home with rich woods, tiles, curtains, and texture painted walls. It offers 3200ft² of fantastic living space. Bella vista is inside the los sueños beach club where guests and residents can find the most beautiful pool in costa rica at the foot of the ocean, a swim up bar with food and drink service, the beach, and activities area. Bella vista is also within walking distance of the marina and marina village.
