## SUMMARY

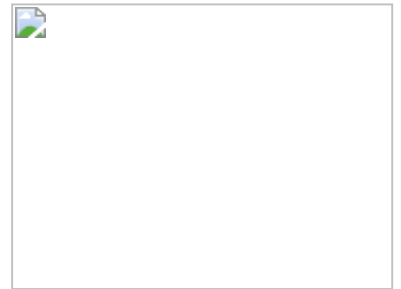

Finca Rohrmoser in Playa Bejuco

That's right; we have a stoning 4.1 hectares (10 acres) property ready for development or segregation, with an anti project of what needs to be done there. Finca Rohrmoser is located right in front of the road in Playa Bejuco, perfect easy access from the main road. Water, amazing ocean views from the top, the topography itself makes this land one of the best ones in the area to invest, either to finish the project that already was planned there or to segregate. Electric, water, phone, internet, all the services ready right in front the main entrance, not a brainer at this price, \$21 per square meter with all the service and front road! Close to all the most beautiful and popular beaches in Central Pacific!
