30 Acres Ocean views-

Very nice farm just 5 min. from the beach town of Jaco. This farm is 14.2 Hectares (35 Acres) in size and has both valley/mountain and ocean views.

The property currently has 1 Main house, Caretaker's house and a large Stable/ barn with work, storage and tool shop 1. This awesome main house counts 2br/2 bath home, with a large pool, built in jets, and a superb custom built water fall by it. The property is bordered by a river, has fresh water streams, and more wildlife that you could imagine.
