SUMMARY

Perhaps the most exclusive rustic luxury property on the Central Pacific coast is now available—fully furnished! Nestled 300 meters above the Pacific in the heart of a tropical rain forest, Casa de los Sueños, is a resort-like compound spanning 5005 square meters of the very best of Costa Rica. The property sits behind three custom entry gates and a massive stone wall near the top of Cerro Fresco. Once inside, marvel at expansive ocean views and open access to the jungle and it's varied inhabitants—monkeys, toucans, scarlet macaws feasting on the almond trees, hawks, and much more. This dream property is a rare find! Built of native Costa Rican hardwoods and hand finished teak beams, Casa de los Sueños is comprised of several structures including a main house with a 18-foot vaulted ceiling, massive beams, a loft master bedroom and double glass and teak French doors that open up to the jungle. A large master bath with stone rain shower and double vanities A separate gourmet chef's kitchen is just beyond the main house, complete with a commercial
