SUMMARY

Truly a Jewel in Golfito center. Just 2 minutes from the boat dock and downtown. And 5 minutes from the new Golfito Marina Village. Home Details The house has been updated from the original Banana Company days. Downstairs has been made much bigger with block walls and glass windows, it has a very expansive feeling and allows you to get creative when deciding where to put living and dining areas. Could even make a master bedroom by putting up just a couple walls. The large windows allows light and breeze to come in while also being able to enjoy the mountain...
