## SUMMARY

Apex Tropical Ecotech Design Beach, Playa JunquillaThe Tropical Ecotech DesignThis Tropical Ecotech Design home is a four bedroom and two and half bathroom house. This is the definition of eco-luxury. There wasn't a detail left amiss during the design and build. There were years of careful thought about impact, health, ease of use, low energy footprint, and sustainability along with the highest end and highest rated energy saving luxury products installed to make your dream life in tune with forward thinking standards.For example, Haiku fans smartly turn on off with your movement as you ease in and out of spaces. Roof top windows force rising hot air out of the home as the lovely tropical breezes waft through the home with cooler air. One of the most
