SUMMARY

There wasn't a single detail missed when this luxurious bed and breakfast was built in 2017. The details put into building this property has made it one of the top B&B's in the Uvita area. The top two villas have an ocean view, amazing mountain and jungle views. The pool and rancho common area also have an ocean view but the mountain and jungle views really take your breath away. The B&B consists of four 500 square foot rooms with spectacular jungle and mountain views from inside and especially from the private balcony. Each room has a king bed, a kitchenette and a modern spa-like bathroom that looks out to the jungle. Over the past year and a
