### SUMMARY

This 2 bedroom home for sale near Dominical is an architectural mastery. The home was inspired by Balinese style and the finishing touches are very elegant. Currently, the house is being rented out on Airbnb and is very successful. This vacation rental is a favorite with renters with lots of great reviews that ensure the home is rented almost every day in high season and still rents well in the low season. Please email or call for financials. The home has incredible ocean views from most of the windows. There is a magnificent covered deck area where you can enjoy the ocean views when it is raining or just take cover from the sun. There are AC units in each room but with the ceiling fans on there is barely any need for them. An infinity pool is one of the best features of this
