SUMMARY

MORE INFO HERE: <https://exclusivehomescostarica.com/listings/12-hectares-quebrada-springs-views-la-palma-san-isidro/> 12 Hectares in La Palma with beautiful 360° views of rolling mountains as well as the city of San Isidro (2nd largest city in Costa Rica). Bordered by quebrada with 2 freshwater springs. Lovely breezes at the top of the farm overlooking the city, perfect spot to build a nice plantel. There is an abandoned concrete construction home and pool on the property that hasn't been tended to for 4 years, but the bones are still there and either or both could be renovated. Lots of mango and citrus speckled throughout the farm.
