SUMMARY

Casa Isla en el cielo (Island in the sky) is a breathtaking property located 1,000 Feet above sea level in the hills above Playa Potrero. This property is spread out over 2 full acres of the most amazing ocean view land and features 2 separate homes, a designer pool designed by the famed architect Juan Rocca. This property can easily be a B&B, boutique hotel, private family compound or rental income property. Conveniently located under 1 hour from the Liberia International Airport and just a 8 minute drive to Potrero Beach and 12 minutes from Flamingo Beach. The main home was built in 2018 and features 3 Bedrooms, 3.5 bathrooms (each of the 3 bedrooms has an en-suite full bathroom - each with a shower, and large tub in the master bathroom as well, plus the guest half-bath in the hallway) and a two-car carport. The home has an open great room concept with the living area, kitchen and dining together. The floor to ceiling glass lends to lots of natural light. There is energy efficient A/C throughout. Access to the deck is through the dual pane sliding glass
