SUMMARY

MORE INFO HERE: <https://exclusiveshomescostarica.com/listings/2-acre-riverfront-gem-completely-private-uvita/> Nestled in the trees and completely private at the end of the road you will come to this riverfront paradise with 392 feet of frontage on the Morete river with swimming holes and picnic areas. 2 acres is more than enough land to create anything you can dream of - a large home, gardens, pool and guesthouse(s), and more! Hike up river to the waterfalls, sit in the cascades at your doorstep for a natural massage, and walk through the beautiful gardens you can easily create on this expanse of usable land. Water is the source of life! Wildlife is attracted to the riverfront daily, and this property is no exception. Many different bird species, white faced monkeys in the trees, the occasion sloth, pizotes and even the odd sighting of the glorious Scarlet
