SUMMARY

This large farm in the Southern Zone is the ultimate authentic natural experience of Costa Rica. On this grand piece of paradise, owners can conserve the environment, grow their own organic produce, and work towards keeping Costa Rica pure! In addition to the two homes on the property, there are agricultural and reforestation areas which house caves, beautiful creeks, and rivers. Countless adventures can be found on and nearby this property. This land is beautiful and ideal for someone looking to live in a pure environment, grow their own organic food, be surrounded by pristine nature, and live at one with their surroundings. The reforestation effort that has taken place on this farm has been quite magnificent! Thousands of fruit and hardwood trees of various species have been planted with high survival rates. Some of these trees include:
